

Hey Teachers! School Librarians!

Did You Know? The Oklahoma Department of Libraries has paid for every school in the state to get free access to an online student encyclopedia from one of the most trusted names in reference: *Encyclopaedia Britannica*. To introduce students in grades K-8 to this powerful resource, we're hosting another information scavenger hunt with lots of prizes!

Prizes Grades K-5: One elementary school student will win a 16-volume *Britannica Student Encyclopedia*. The winning student's school library will also win the encyclopedia set, plus a *Britannica Student Atlas* and a *Learn & Explore* book! Nine lucky students will each receive the *Atlas* and a *Learn & Explore* book of their choice.

Prizes Grades 6-8: One middle school student will win the 16-volume *Britannica Student Encyclopedia*. This grand prize winner's school library will also receive a set of encyclopedias, plus a *Britannica Student Atlas* and a *Learn & Explore* book. Nine middle school students will each win a *Student Atlas* and a *Learn & Explore* book of their choice.

Step One: **Get Britannica School.** Make sure your school library has online access to *Britannica School*. Don't have access? Go to accountsetup.school.eb.com or contact Natalie Vaughn at 405-522-6704 or Natalie.Vaughn@libraries.ok.gov.

Step Two: **Register by February 17 for The Great Britannica Information Scavenger Hunt.** You'll get digital delivery of the Scavenger Hunt and answer key on February 18.

Step Three: **Go on the Hunt!** Show your students how to access *Britannica School* to answer the questions in our scavenger hunt. Collect their answers. By Friday, March 6, send the names of all participants who aced the hunt to: BHuntsman@opubco.com. We'll hold a drawing for the prizes.

Yes! My class would like to participate in The Great Britannica Information Scavenger Hunt! (Register by February 17!)
