OKLAHOMA ASSOCIATION OF CAREER AND TECHNOLOGY EDUCATION

Oklahoma's CareerTech system has provided training for more than 100 years. Nearly 500,000 people each year receive education through CareerTech programs. These programs can be found in 400 school districts, 29 technology center districts, and 16 skills centers.

What interests you?

Do you like to help others with technology? There are many jobs in all industries for people who have information technology skills, like network security administrators and computer specialists.

Is it fun for you to build things? Explore your career options as an architect, carpenter or electrician.

Would you like to know how to change raw materials into useful products? Consider technical occupations like industrial engineering, welding, or machinist.

Does it interest you to be involved in scientific research, or laboratory and testing services? Pursue an education in aerospace engineering, astronomy, or nutrition.

Do you want to know more about designing, producing, performing, writing and publishing multimedia content? Develop your skills as a video graphics designer, artist, or video systems technician at a Technology Center.

Are you concerned about the health of people or animals? Consider a career as a practical nurse, surgical technician, doctor, medical assistant or veterinarian.

Do you have an interest to work in the beauty industry? Enroll in classes to help you launch a career as a hair stylist, manicurist or skin care specialist.

Would you like to provide protection and security for individuals or companies? Explore the many career paths in law enforcement and public safety, like police officer, crime scene investigator, correctional officer, or in the legal profession.

Career Interests

- **Do you know people that work in these career fields? If so, what do they do that is interesting to you?**
- **Do any of these career fields interest you? Why or Why not?**
- **Contact your school counselor to see about taking a career aptitude assessment and find out what steps you need to take to further your education.**
